

Model: ACS-1520-IEC-SW

# AC Power Strips, Single Circuit – 15A Corded

## Description:

Model ACS-1520-IEC-SW power strip is a 15A device with detachable power cord that provides convenient access to power in racks and stand-alone applications. US-made power strip has a rugged steel chassis, twenty black IEC outlets, and features Lowell's multi-mount brackets for versatile and trouble-free installation. Strip is ETL Listed and includes a 15A circuit breaker and an on/off switch.

Multi-mount brackets allow for power strip installation in a variety of applications with outlet orientation facing forward, center or rear. Brackets are engineered with multiple mounting points and two types of hardware to facilitate easy power strip installation into cabinets with adjustable or fixed mounting rails or to wall or desk surfaces. The brackets may be mounted so they are exposed for easy access or concealed under the strip for aesthetically clean installation.

The power strip chassis is manufactured of heavy gauge steel and finished in durable black powder epoxy paint. The chassis measures 30"L x 2"W x 2"H. Outlets are IEC C13 black receptacles. Easy termination is provided by a detachable IEC cord that is 6 ft. long with a NEMA 5-15P plug.

## Features:

- 15A Power strip with twenty IEC outlets, circuit breaker protection and on/off switch.
- Easy to terminate strip includes a 6 ft. IEC detachable cord with NEMA 5-15P plug.
- Rugged steel chassis is finished in durable black epoxy paint.
- Multi-mount brackets provide mounting versatility nearly anywhere including racks, walls and surfaces of most kinds.
- ETL Listed (US and Canada)
- Made in the USA

## A & E Specifications:

ETL Listed power strip shall be Lowell Model ACS-1520-IEC-SW. Power rating shall be 15A with circuit breaker protection and on/off switch. Power strip shall include twenty black IEC outlets and shall measure 30"L x 2"W x 2"H. It shall be terminated with a detachable 6 ft. IEC cord with NEMA 5-15P plug. It shall install to cabinets with adjustable or fixed mounting rails and to walls and desk surfaces using multi-mount brackets and hardware provided.
